C. Borrowing Limit Policy

The following are CURF's borrowing limits. For projects costing:

1. \$25,000 or less: 100% of the total project cost (from **line 25**) may be financed.
2. \$25,000 to \$200,000: 100% of the first \$25,000 plus 75% of the remaining amount may be financed.
3. More than \$200,000: The lesser of 300% of the average annual tithe for the last three years (from **line 21**) or 65% of total project cost for a Church, 50% of the total project cost for an Institution (from **line 30A**)
4. Emergency loans up to \$200,000 may be financed at 100% of the project cost.

Example A: Church A has a project cost of \$23,000 to fix a dysfunctional AC unit. Up to the full \$23,000 may be borrowed.

Example B: Church B has a project cost of \$185,000 for a bathroom renovation project. CURF will fund the first \$25,000 at 100% and the balance of \$160,000 will be funded at 75%, which is \$120,000, giving Church B a total of \$145,000 that may be borrowed.

Example C: Church C wishes to buy a new church on a piece of land costing \$325,000 and has average tithe of \$125,000 per year. CURF will compare two numbers to see which one is less:

- 300% of the church average annual tithe, which in this example is \$375,000 (\$125,000 x 3).
- Second is 65% of the total cost of the total project, which in this example is \$211,250.

In this example, 65% of the total project cost is less than 300% of average tithe, so the church may borrow up to \$211,250 and must demonstrate its ability to finance the remaining \$113,750 from available outside financing (see **line 32E**).

2. CURF now requires all entities to send in two authorized representative forms: the church clerk must send in a completed **Authorized Representative Summary Form** and attach the minutes confirming the names and authorizations listed. Each authorized representative listed on the summary form must send in a completed **Authorized Representative Confidential Information Form** (*Please note: SSN should be omitted if you plan on scanning and emailing the form to us; we'll call and take it verbally once we receive the form*).
3. Access to the online portal is optional and can be obtained once we have received the necessary authorization forms listed above, and an activation code is issued.
