

# Mission Possible Assistance Program 2025

Columbia Union Revolving Fund (CURF) is committed to making ministry possible by providing loans to entities in Columbia Union (CU) territory and selling promissory notes to its members. This enables individuals and entities to do ministry differently while allowing CURF to fulfill its mission.

CURF is going one step further in making ministry possible. Thus, we are pleased to announce the Mission Possible Assistance Program (MPAP) has been renewed for 2025. This program will continue to provide resources to CU entities that need assistance in making missions possible in their local areas. This program will make available to each conference and the union to receive up to \$25,000 per year for projects within its territory in 2025. Conferences can approve multiple applications totaling \$25,000, which will be forwarded to CURF management for final approval.

## Qualification:

- All applicants must be a recognized entity in the SDA yearbook within the Columbia Union territory and affiliated with a local conference (for example, it would need to be searchable on <https://eAdventist.net/>).

## Requirements:

- Must be a local entity under the conference not to be used by the conferences.
- Entities must financially contribute something towards their own mission project request.
- Funds must only be used for evangelism, to purchase new equipment or small building repairs.
- Entity must provide proof of the cost of project/evangelism meeting (*budget or estimate*).
- **Entities must provide to CURF pictures, quotes and/or short stories once a project or evangelism meeting is completed, with the understanding it can be used in publications.**

## Process:

- Conferences must submit approved applications totaling \$25,000.00 (per conference/per year) to CURF no later than 25<sup>th</sup> of each month\*.

- CURF team will follow up with the entity to obtain pictures, quotes, or story from all entities.
- *\*Note: Applications may only be submitted January – November 2025, as CURF is closed for the holidays between Christmas and New Years each year.*
